AD&D BENEFIT AMOUNT SELECTION AND PREMIUM AMOUNTS

To select your benefit amount and determine your monthly premium, do the following:

- 1) Determine whether you are electing coverage for yourself only or for yourself and your dependents (Employee & Family Coverage).
- 2) Locate the benefit amount you want to select from the top row of the appropriate premium table. Your benefit amount must be in an increment of \$10,000 (ex. \$10,000, \$50,000 or \$150,000).
- 3) Locate the corresponding monthly premium amount in the row below.
- 4) Enter your benefit amount and monthly premium amount into their respective areas in the AD&D section of your enrollment form.

If the benefit amount you want to select is not presented in the table, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want to select. For example, if you want \$220,000 in coverage, you obtain your premium amount by multiplying the monthly premium amount for \$10,000 times 22. Deductions may vary due to the rounding of premium based on the Principal Sum and plan selected.
